

I am opposed to expanding LPFM and losing FM Translators.  
I listen to K-LOVE on a daily basis.  
K-LOVE provides a calendar of local and community events.  
K-LOVE is a my major source of positive and uplifting music.  
K-LOVE provides toll-free access to counselors and pastors for  
people who are in need. K-LOVE's FM translator service provides a  
way to get this number out to those hurting and in need.
